Visit www.roppe.com to determine eligibility to meet MR5.1 and MR5.2 criteria.

All corporate documentation needed should be gathered from this site also.

Roppe does not have our products tested in accordance with the CRI or CRI plus which is the criteria to meet this point.

We do have our products tested to meet the Collaborative for High Performance Schools (CHPS) criteria and meet SCAQMD #1158.

10% by volume Natural Rubber and/or Cork as listed

2% Soybean Oil by volume
